The Town of Londonderry Selectboard hereby gives notice pursuant to 24 V.S.A. 1972(a)(1) that on April 1, 2019 the Board voted to adopt a Traffic and Parking Ordinance.

In summary, the Traffic and Parking Ordinance was established to promote public safety, provide good traffic flow, and assist the Town in the maintenance of streets and highways. It establishes special traffic regulations on various public highways within the community, including limitations on maximum travel speeds on roads, prohibitions on obstruction of vehicular traffic and parking within rights-of-way, specification of locations subject to certain traffic controls, and obedience of traffic control devices. The Traffic and Parking Ordinance also provides for penalties and fines for violation of its provisions, and explicitly states the right of voters to petition for a referendum on its adoption.
