

# **Town of Rockingham, Vermont**

## **Heavy Equipment Operator**

The Town of Rockingham, VT is accepting applications for the full-time position of Heavy Equipment Operator. This position pays \$19.00 plus depending on experience and qualifications as well as a comprehensive benefit package. In this position you will operate a variety of specialized trucks and highway equipment, such as plows, loaders, graders, backhoes, excavators, rollers and dump trucks involving plowing, salting and sanding in winter, and general highway maintenance and construction work in other seasons. The focus of the job is on moderately complex equipment operations, as well as manual labor and other related work as required. The successful applicant must possess a valid driver's license (Class B CDL).

## **Equipment Operator**

The Town of Rockingham, VT is accepting applications for the full-time position of Equipment Operator. This position pays \$15.45 plus depending on experience and qualifications as well as a comprehensive benefit package. In this position you will operate a variety of specialized trucks and highway equipment, including but not limited to snow plowing, salting and sanding in the winter and assisting in general highway maintenance and construction work in other seasons. In addition, you will be required to understand the operation of basic to moderately complex trucks and equipment and perform manual labor. The successful applicant must possess a valid driver's license (Class B CDL preferred), however, a good driving record will be considered.

## **Temporary Highway Worker**

The Town of Rockingham, VT is accepting applications for the part-time position of highway worker. This position pays \$14.00. In this position you will be assisting in general public works maintenance including but not limited to maintaining mowing, trimming, as well as assisting with a variety of spring, summer and fall highway maintenance and construction work. This position requires continuous and strenuous physical effort with unavoidable exposure to bad weather and hazardous conditions. Desired qualifications include a basic education (high school preferred) and the physical ability to perform strenuous manual labor.
