Commonwealth Avenue Drainage Project Town of Ludlow, Vermont

RFP for Engineering Services – Due by 8/31

Ludlow Commonwealth Avenue Drainage Project

The Town of Ludlow has received funding through the Hazard Mitigation Grant Program (HMGP) to complete activities aimed at increasing flow capacity, provide a more natural stream environment, and reduce jamming potential due to ice flow and high water events. The Town is seeking assistance from qualified firms to provide engineering services to complete the Commonwealth Avenue Drainage Project in accordance with the HMGP grant agreement between the Town of Ludlow and the Vermont Department of Public Safety.
