

REDISCOVERING CHESTER MEET THE PLANNERS EVENT

The Master Plan will commence in September with a Meet the Planners event to be held at the Fall Festival on the Green in Chester on Saturday, September 17th. A representative from SE Group and the Town will be present to help get initial thoughts on what makes Chester Village Center a great place, what are the challenges and what are the opportunities to make it better. It will be an informal interaction, for residents and visitors to stop in and learn about the effort.
