

“Looking Forward Steering Committee”

A Committee of:

Ludlow Elementary School and U#39 / Black River High School & Middle School Boards

The Ludlow Elementary School and Black River High School & Middle School/U#39 Boards are seeking (2) Community, (2) Parent, and (1) Student Volunteers to serve on this newly-formed committee. The express purpose will be to explore creative, collaborative options for the potential restructuring of our districts and schools in Ludlow. This process will determine the possibility and/or viability of the different options for our students.

Please consider serving on this committee to ensure the best future for our childrens' education. This committee will begin meeting in July with times to be determined.

Committee members will be appointed at the July 5th School Board meetings at BRHSMS. If you have interest, practical ideas, and creative thoughts, please submit your request in writing by July 3rd to:
