

TOWN OF ROCKINGHAM

Notice of Cleanup and Demolition

at 10 Church Place

The Town of Rockingham has developed a clean-up plan for property it owns at 10 Church Place in Bellows Falls. The cleanup activities are being performed in support of demolition and reuse of the property to benefit the community. A portion of the clean-up is being funded by the Northwest Regional Planning Commission's Brownfields Revolving Loan Fund.

A public meeting to discuss the clean-up plan and funding will be held at a regular meeting of the Selectboard scheduled for 6:00pm, July 3, 2018 at the Rockingham Town Hall Lower Theater, 7 Square, Bellows Falls, VT.

Copies of the draft clean-up plan are available for review at the Rockingham Town Offices and can be viewed in person there during normal operating hours. A copy of the draft clean-up plan will also be available at the meeting or by calling (802) 466-2045. Comments will be accepted on the draft clean-up plan between June 11 and July 10, 2018 and can be provided at the public meeting, via email to Chuck Wise at planning@rockbf.org, and/or via US mail to Town of Rockingham, P.O.
