

SPRINGFIELD SCHOOL DISTRICT

Attention Springfield High School Class of 2015 Alumni
Per state regulations we are only required to keep student records for 7 years.

We are notifying the class of 2015 that we will be destroying student records on August 20, 2022, unless we hear from you. These must be physically picked up by you or provide written permission for someone else to come in and pick them up.

Please contact Nancy Bovat at 802-885-7914 to coordinate a time to pick up your records if you would like them.
