

NOTICE OF FILING WITH FEDERAL ENERGY REGULATORY COMMISSION

Green Mountain Power Corporation (GMP or Applicant) hereby provides notice of its filing with the Federal Energy Regulatory Commission (FERC) of the Application for Subsequent License for the Cavendish Hydroelectric Project (P-2489) (Project). The 1.44-megawatt Project is located on the Black River in the Town of Cavendish, Windsor County, Vermont. The current license, issued by FERC, went into effect on November 1, 1994, and is set to expire on October 31, 2024. GMP filed an Application for Subsequent License for the Cavendish Project on or before October 31, 2022. A copy of the application and associated reference materials are available for inspection and reproduction, by appointment only, at the applicant's address of 2152 Post Road, Rutland, VT 05701. The applicant can be contacted, and an appointment can be scheduled, by calling Mr. John Greenan at 802-770-2195. Copies of public sections of these documents are also available on the web at <https://elibrary.ferc.gov/eLibrary/search> (reference docket P-2489). Requests for additional studies are due no later than 60 days after FERC's tendering notice. The FERC will publish subsequent notices soliciting public participation if the application is found acceptable for filing. Any additional questions about this filing can be directed to Jessica Antonez at Jessica.Antonez@KleinschmidtGroup.com or at 207-416-1214.
