

WATER FLUSHING NOTICE VILLAGE OF LUDLOW

On Monday, April 22, 2024 through Friday, April 26, 2024, the Village of Ludlow Water Department will be flushing the water system and testing the fire hydrant system. The flushing will take place each day from 7:00 AM to 3:30 PM.

Please note: The entire water system will be affected. Residents may experience discolored water during this time. When the flushing is complete, please be sure to let your cold water run until your water runs clear. We appreciate your patience and understanding while we perform our annual distribution system maintenance.

If you have any questions, please call the Water Department at 228-8431 or the Municipal Office at 228-2842 or 228-3923.

Thank you.
