Springfield Medical Care Systems, Inc., dba North Star Health will be conducting remediation activities at Edgar May Health and Recreation Center-Foundry Building (EdgarMay) at 140 Clinton Street in Springfield to mitigate the potential exposure to hazardous substances to the maximum extent practicable for redevelopment that will benefit the residents, business owners, and stakeholders in and near Springfield. The funding for this cleanup project was made available through a U. S. Environmental Protection Agency Brownfields Cleanup grant under the Infrastructure Investment and Jobs Act.

The public is invited to review and comment on the proposed activities. All interested parties are welcome to view the Corrective Action Plan and other environmental reports for this project, which describe the former and proposed use of the site and the proposed plan for cleanup. Documents can be found on EdgarMay's website at <https://edgarmay.org> or at their front desk.

Members of the community are cordially invited to attend the meeting in-person or virtually to be held prior to the Selectboard meeting and to provide comment. Please contact Christian Craig at ccraig@edgarmay.org or call at 802-885-2568 for information on attending the virtual meeting or go to the Springfield town website's calendar at <https://Springfieldvt.gov> for meeting link and call in information or for special accommodations. Community members may also submit their comments to Christian Craig, Executive Director of EdgarMay, at ccraig@edgarmay.org or at 802-885-2568.

All comments are to be received by January 24, 2025.
