

TOWN OF WINDHAM PUBLIC MEETING NOTICE

The Town of Windham VT Selectboard will meet on 4:45 PM on May 5, 2025 at the Meeting House (26 Harrington Road) to hold a hearing on proposed interim bylaw changes to allow higher nighttime noise levels for temporary events and to allow camping for short-term events that do not meet the standards required for a permanent campground. These interim bylaws would involve minor changes to sections 209 and 501 of the zoning bylaws and would cause no additions to the table of contents. These proposed rules would be in effect everywhere in the Town of Windham. The full texts of the interim bylaws can be obtained by contacting Windham's zoning administrator at windhamvt.zoning@gmail.com.
