The Town of Ludlow is developing a master plan for the Village that will address transportation, housing and economic opportunities for our community. Consultants have developed draft recommendations to improve village vitality, and want your feedback!

Come to the **FEEDBACK SESSION**, Friday, October 16 from 4:00-6:00 at Town Hall. During the drop-in period, you can expect to spend 10-20 minutes reviewing the recommendations, answering interactive questions and talking with members of the project team. There will be a formal presentation from 5:00-5:30 to explain the proposed recommendations, with an option to join via zoom.

Light refreshments will be provided!
